

That I would not write  
 via mail as you  
 could so little but  
 the temptation was so  
 great that I could not  
 resist - no longer  
 say I want to see  
 a little of the  
 world and I will come  
 if you will let me  
 write soon and let me  
 know what you think  
 about it and what  
 you think about ~~me~~  
 saying in the last  
 letter you look of a  
 pig. He is out of sight  
 he was at Stephens  
 yesterday and I would  
 have come with him
